## Hoe een masteropleiding vinden die aansluit bij je diploma?

We raden je aan om onderstaande stappen te volgen als je op zoek bent naar jouw concrete overstap naar een bepaalde masteropleiding.

1. Ga naar het **opleidingsaanbod** van KU Leuven via **[www.kuleuven.be/opleidingen](http://www.kuleuven.be/opleidingen)**.
2. Kies een **master of manama** binnen de juiste faculteit of maak gebruik van de zoekvelden (type diploma, doceertaal, locatie, campus).
3. Ga naar '**Je studieprogramma**' (in eerste kader) en klik op het programma van je keuze.
4. Controleer de **toelatingsvoorwaarden** op het gelijknamige tabblad. Zo weet je meteen of je huidige diploma toegang verleent tot de masteropleiding en zo ja, via welke weg.
5. Zodra je weet of je een schakelprogramma of verkorte bachelor moet volgen, kun je dat specifieke programma op dezelfde manier opzoeken in het opleidingsaanbod.
6. Verder kun je ook het volledige **programma** van elke opleiding bekijken: structuur en inhoud programma, opleidingsonderdelen, uurrooster ...
7. Als het **niet duidelijk** is of jouw diploma toegang verleent tot een bepaalde masteropleiding of als je de vermelding 'na toelating' ziet staan, stuur dan je vraag naar [studiekeuze@kuleuven.be](mailto:studiekeuze@kuleuven.be).
